POLICY OF THE NORTHBOROUGH FREE LIBRARY BOARD OF TRUSTEES ON USE OF LIBRARY PROPERTY FOR FUND RAISING, GROUP SOLICITATIONS OR OTHER SUCH USES

It is the policy of the Northborough Free Library to promote the free expression of information and ideas. To this end the Library permits the posting or depositing of notices, brochures, informational flyers, etc., of community activities and events. The Library does not permit, without the prior permission of the Board of Trustees, the use of Library property for fund raising or solicitations. Permission for such activities to be performed on Library property may be sought by requesting of the Director of the Library or the Chair of the Board of Trustees, along with supporting information at least 30 days prior to the next regularly scheduled Board meeting. The Board will not grant requests of a commercial or political nature. In regard to requests for local civic, educational or charitable activities the Board may consider, in its sole discretion, the following factors: the anticipated duration of the activity, the space requirements, the number, if any, of persons required to be on Library property, and the impact of the activity on the normal operations of the Library.
